

## Gymstarz Elite Competitive Form

CARA Gymnastics season begins August 1<sup>st</sup> and continues through July 31<sup>st</sup>. Gymnasts will have 1 preseason meet, 4 regular season meets and a regional and state meet. Your child must qualify through the regular season meet to qualify for regionals and then place in the top 6 at regionals to go to state. Your child is apart of a team it is very important they finish out the season.

I agree to abide by Gymstarz Elite Rules. I as a parent understand I am to act in a proper manner to all coaches, judges and staff in the gym as well as at gymnastics competitions. I will do my best to keep positive sportsmanship. I will make sure my child also abides by the rules as well. I know that my behavior and or my child's behavior could result in expulsion from Gymstarz Elite Gymnastics.
